

Refund Policy 1.1

Due to the nature of Apex Boosting products (non-tangible digital goods), it is not possible to “return” the product therefore we DO NOT offer a refund after your order is already done.

1.2 If your order has not started you are eligible for a full refund (100%) or store credit for the amount paid to us.

1.3 If your order has already started you are eligible for a 50% refund depending on the current status of your order.
